Hello Everyone

On Wednesday this week our Northern Midlands Cross Country Team will compete at Cressy against other schools in our area. Students will travel to the venue in private car and will be met there by Mr Leighton who will be in attendance all day. We wish our competitors well and know they will be doing their best for Westbury.

I have been very impressed by the level of sportsmanship and participation of all students involved in Friday Sport. Ms Jales and Miss Woolley report on the enthusiasm of our players and our coaches and umpires have been impressed by each player’s ability to act on advice and follow the rules.

A new award system has been initiated by Ms Jales and is called Player of the Match. It recognises those players who consistently try their best, display good sportsmanship and understand the importance of giving everyone an opportunity in the game. Thank you to parents who have been coming along to support our players.

Over the next few weeks some of our teachers will be supporting pre-service teachers from University of Tasmania as they complete their practicums. Having trainee teachers in our school is a great way to support and grow the teaching profession and also provides extra support for our students and their learning programs.

If you have any questions about this program please come and talk with me.

I would like to remind you about the up-coming workshop for teachers and parents on Autism, facilitated by Mary Brake Learning Services North’s Autism Consultant.

This will be a practical and informative session for anyone wanting to know more about Autism Spectrum Disorders.

It will be held on Tuesday 18 June from 3.30 p.m. – 5.00 p.m. in the Open Learning room.

If you would like to find out more or register your interest in attending please contact the school office.

Enjoy your week.

Alison Brooks, Principal
As you know, our school has been participating in the Woolworths Earn & Learn program. The program has now finished for this year, so a big thanks to everyone who supported our school.

We’re now at the important stage of the program where Points Sheets are collected and lodged as our Earn & Learn claim. We will then be able to get new educational equipment for our school. The more we collect, the more we can redeem. So this week please send in your Woolworths Earn & Learn Points Sheets and any loose Earn & Learn Points Stickers you may have. Remember to check your handbag, the car glove box or they may be stuck on the fridge. Every little bit helps.

Please ensure that only 60 stickers are on each sheet. If you do not have enough to complete a sheet, please put loose stickers in the box.

Thanks again for all your support!

### PREP VISION AND HEARING SCREENING

The Child Health and Parenting Service will be visiting the Westbury Primary School to perform the vision and hearing screening program for Prep children on Tuesday 18 June.

All children in Prep will receive a consent form to be filled in and signed by parents/guardians. Please return this form to school as soon as possible to ensure that your child is tested as the nurse will not be able to return to the school after the screening day/s.

Results will be sent home to parents on the day of screening.

Jenna Bayes (Child & Family Health Nurse)
