From the Principal..........

Welcome to term two, I hope all families have enjoyed a relaxing Easter break. The students have made a great start to the term, all in school uniform and working hard in class. As students are not required to wear hats during term two and three, class teachers will collect hats and store them until term four.

A great start

Early last term I shared in the newsletter about the great start the students had made to the year. I spoke about the calm and orderly learning environment at our school and how engaged our students were with their learning. This perception has been backed up by our end of term behaviour data review. This showed the improvement we made as the year progressed last year has continued this year. When we compare the data from term one last year to term one this year the improvement is dramatic. Well done all teachers and students!

Robotics

An exciting new aspect of our learning program at Westbury this year is robotics. This program, being led by Mr Trotman, enables students from grade 4 - 6 to be involved in building and programming EV 3 robots. The benefits of this program go beyond the ICT outcomes with students developing team work, problem solving skills and creativity.

Anzac Day

This ANZAC day is an important day in Australia's history as it marks 100 years since the landing at Gallipoli. Students will be learning about this event's significance in class and we will also be holding our own ANZAC service on Friday at 10.30am at the school’s flagpole. All parents/carers are invited to join us for this short service. I would also ask parents to assist in ensuring as many students as possible join the Westbury RSL ANZAC march on Saturday morning. Students need to wear full school uniform and meet outside the IGA supermarket at 10.20am.

Staff farewell

Kim Rootes has worked at Westbury Primary as a clerk and teacher assistant for over 10 years. She left last year to fill a senior position at City Campus. She has now secured a permanent position at Summerville Primary. I would like to acknowledge Kim for her years of hard work and dedication to our school. Kim has a real passion for Westbury Primary and its students and I know it is with some sadness she leaves our school community.

School Association AGM

The School Association AGM will be held this Thursday in the meeting room at school starting at 5.30pm.

Marcus Cramp
DATES TO REMEMBER

April
Thursday 23 School Association AGM 5.30pm
Friday 24 Anzac Assembly

Information Validation Forms

Last Term Information Validation forms were sent out to enable parents / carers to update contact information and to make any changes to personal information that we may have on our system. Many forms have been returned but we are still waiting on a few forms to come back to the office. If you have not returned your updated form, could you please do so as soon as possible.

It is very important that we have up to date contact names and numbers in case of emergency situations.

If your circumstances change throughout the year, there is a form available at the office for you to complete to update your details.
