From the Principal..........  

NM Cross Country Carnival  
Today a team of 30 students from grade 3 - 6 represented Westbury Primary at the Northern Midlands Cross Country carnival at Cressy District High School. A full report will be in next week’s newsletter.

Excursions  
Excursions are a valuable way to support the classroom learning program. Last week Grade 5/6 visited the Town Common to conduct water quality monitoring as part of their work in Science. They will return later in the year to compare results over time. On Tuesday next week P/1 and Grade 1/2 will visit Brickendon Farm at Longford as part of their History unit.

Improvements to School  
It has been an aim of mine to not only improve student outcomes but to make improvements to the physical infrastructure of our wonderful school. The most recent work has started this week with the asphalting of the side path to grade 5/6 and the area outside the hall. This will result in less puddles in winter and less dust in summer.

Facebook  
Our school Facebook page has been a highly successful addition to the way we communicate with parents/carers and the broader community. A good example of this, was our most recent post about the Walk to School Day and school breakfast, which within days, reached 680 people! If you haven’t visited our Facebook site yet, the address is:

Attendance  
Maintaining high levels of student attendance is a high priority of the Department of Education and all schools. A reminder that if your child is sick or away from school for any reason, you need to contact the school office on 6393 1373 to explain the reason for the absence.
