From the Principal.......... 

Walk Safely to School Day and Healthy Breakfast
This morning we held the annual Walk Safely to School Day and healthy breakfast. Fifty students walked from the Village Green to school and one hundred students shared breakfast in the hall. Thank you to the parents who walked with the students, the P&F and Tanya, our chaplain, for supporting this great school community event. Please use this opportunity to reinforce with your children:

- The importance of regular exercise
- Road safety when walking to school
- The importance of a healthy breakfast each day

Cross Country Carnival
On a beautiful sunny (but frosty) autumn morning last Thursday, we ran our annual cross country carnival at the Town Common. In perfect running conditions, I was impressed with effort put in by the students, and despite the distances, we had many close finishers. Just like the Athletics Carnival, the House competition was very close all day. Amazingly the points difference at the end of the carnival was AGAIN only six points. This time the winner was Westfield with 101 and Egmont 95 points. Photos of the carnival can be found inside today’s newsletter. A team will now be picked to compete in the Northern Midlands inter-school competition on 2 June at Cressy District High. Training has already started.

Bravehearts personal safety program
Tomorrow at 10am, all Kinder to Grade 2 students will participate in the Bravehearts personal safety program. Bravehearts is Australia’s leading child protection advocate specific to child sexual assault. The “Ditto Show” is an engaging non-confronting way to teach children about personal safety and teaches students what to do if they feel unsafe and unsure. Parents are welcome to attend. If you do not want your child to attend the show, please notify your child’s class teacher.

**Library and Information Week**

It is National Library and Information Week and today is National Library Technician’s Day. What a great time to thank our Library Technician, Mrs Bronwyn Walker, for the wonderful work she does in our library. Thank you Mrs Walker.

Another special event for Library and Information Week will be held tomorrow - National Simultaneous Story-time, with this year’s story being The Brothers Quibble by Aaron Blabey. This is a great story for all ages about sibling rivalry and overcoming differences.

We are very fortunate to have a lovely school library and a State library branch here in Westbury. If you haven’t visited the town library for a while, (or ever) then this is a great week to pop in and see what’s on offer.
