From the Principal............

Sport
Last Friday the first round of interschool sport was held at Hagley with all our Gr 4, 5 and 6 students being involved. It was very pleasing to hear the positive reports back from the students and Mr Trotman.

Band
Our instrumental band program is well and truly underway and band leader Jess Borton is very impressed with both the on-going and new members. She says there have been big improvements already and the students are looking forward to performing at assembly soon.

Cross Country
Our annual school cross country carnival will be held on Thursday at the Town Common. The approximate race times are inside the newsletter.

Our focus in Physical Education over the last few weeks has been about improving student’s fitness and measuring success by how much they can improve those levels. These have been measured by the standardised beep test. Please encourage students to participate in the carnival and do their best to both improve their fitness and support their House team.

If it is raining on Thursday we will postpone the event until Friday and conduct the carnival within the school grounds.

National Walk to School Day
Once again Westbury Primary will be participating in National Walk Safely to School Day. Our walk will take place on Tuesday 26 May. Students can meet at the Western end of the Village Green at 8.20am for an 8.30am departure. Adults will supervise the students as we walk up King Street, turn into Jones Street, then across the school oval. Please notify the office if you are able to help with the supervision of the walking group.

A light healthy breakfast will be provided by the P&F and Tanya, our school chaplain, in the hall at approximately 8.45am. Please see Amanda Taylor if you can assist with the breakfast.

The aim of the walk is to both encourage physical activity and reinforce safe walking practices. Please encourage your children to participate next week.

School Association Meeting
The next meeting of the school Association is on Thursday in the meeting room at 5.30pm.

HAPPY BIRTHDAY

The staff, students and wider Westbury community wish the following student, who celebrates a birthday during the week a very happy birthday:

Wade Westwood
It is great to be back at Westbury for another term and term 2 has already been very busy. I would like to thank the students that were involved in the choir for Anzac Day. They did an awesome job and choir will continue this term.

Craft has started this term and there will be a number of different projects that students can be involved in making. These range from mosaic button place mats, key rings and small heat packs. The craft room is also going to be used as a common room at recess and lunchtime on the days I am at school. This will be a place where the students may come and relax and have a chat. There will be games set up and also magazines to read.

If any parents would like to help out I am in need of parents to sit with students to help them sew around the key rings and heat packs that we are making. Please come and see me if you are able to help, and have a current Good Character Check.

We are also going to have hot soup over the winter months again this year, if you would like to be involved in preparing this could you let me know, it will be on a Friday morning. The soup will be free to all students.

I would like to thank everyone for their continued support of my role as Chaplain in the school. I would also like to thank the teachers for allowing me to be involved and helping in their classrooms
