From the Principal...........

Welcome back to what promises to be a very busy term 4. Being fourth term our Sun Safe policy states students and staff will wear their school hat when outside, so please remind the students as we all get back into this routine.

Grounds Improvement

Our grounds improvement program has continued over the holidays with two major projects. A new lawn has been created under the trees opposite the netball court which involved some major earth works to prepare the ground. A big thank you to Angus Piercey and AA Maintenance for donating his machinery and time for this project.

The second project involved new basketball backboards/netball rings being purchased and installed. A huge thank you to Mrs Jane Cresswell for her very generous donation to the school which paid for 60% of the cost of the new rings.

The next major project will be a working bee to install the new playground equipment which will arrive this week. Due to other community events being held during October/November, the School Association is proposing to hold the working bee on a week day evening between 3.30 and 6.30pm followed by a quick BBQ tea. A date is still to be confirmed.

Walk-A-Thon

In conjunction with the P&F we will be holding our Walk-a-Thon fundraiser on Thursday afternoon next week at school from 1.30pm. Parents and carers are more than welcome to join us for an hour of exercise and fundraising. Please support your children as they seek donations.

Pupil Free Day

Next Friday is a state wide student free day. Staff will be firstly developing our new 4 year strategic plan then participating in professional learning in Mathematics.

2016

To aid in planning for next year, if you know of students leaving the district or moving into our school zone, please inform the office.

Launceston Classic Basketball Tournament

Good luck to our two basketball teams competing this weekend in the Launceston Classic. I’m sure they will represent the school with distinction.

I will be in Hobart on Thursday and Friday for the annual state wide principal conference. Mr Trotman will be acting principal while I’m away.
