Tractor and Blade needed

As part of our grounds improvement plan, we want to sow down to lawn the area under the trees between the bike racks and netball court.

To do this we first need to scrape off 10cm of surface material in preparation for putting down fresh soil. If you have a tractor and blade (or equivalent machinery) which could do this work in the next few weeks, please contact the front office.

WESTBURY BACKYARD BIRDS

Meander Valley Council is teaming with NRM North to deliver a Backyard Birds Project for the Westbury residential area.

We are encouraging owners in Westbury who are interested in learning some native plants to attract more native birds to the town. We have come up with a range of plants for you to choose from, that will benefit many native bird species.

No cost - your only obligation is to find a good spot for them and give them some care until they are established.
