From the Principal..........

Walk-a-thon
The major P&F fundraiser for term 4 will be a school walk-a-thon. This will be held on the school grounds on Thursday 22 October from 1.30-2.30pm. All students will receive a donation recording form this week which will allow five weeks to collect donations. To keep things simple, donations will not be for a specific number of laps completed, but simply for student participation and completion of the event.

Collection of old uniforms
The school uniform shop is now collecting white school polo shirts that are in good condition and no longer required by parents. Once collected these will be donated to charity, preferably a third world school. Shirts can also be left at the front office.

Change to Assembly Time
Due to grade 3, 4 and 5 students being away at the swimming and water safety program, this week’s assembly will be at 2.15pm.

Devonport Schools Triathlon
When: Thursday November 26
Where: Devonport Bluff
What: swim, ride, run
Cost: $15

Students can enter as individuals or as part of a team. If over 18 children enter, the school will provide a bus. Please see Mr Cramp for an entry form.

Entry forms and $15 payment must be returned by the end of term 3 (Friday 25 September).

Rotary Fun Run
Congratulations to all students who competed in the Westbury Fun Run on Sunday. On a perfect spring morning, 16 students completed the 4km event and two students the 8km event.

WOOLWORTHS EARN AND LEARN

KINDER ENROLMENTS 2016
Do you have a child who turns five next year? Do you know of any children in your school community who turn five next year? If so:
They are eligible to attend Kinder in 2016. So please contact the school office for an enrolment form.

Commonwealth Bank School Banking Update
Following the decision last month to recall the Cosmic Light Beam Torch due to a potential safety issue, a decision has been made to also withdraw the upcoming Lunar Light Band reward from the School Banking Rewards Program.
To avoid disappointment there is a new reward item available for redemption in Term 4 while stocks last. Students can now test their skills with a game of frisbee with the new Galaxy Glider!
Once students have collected 10 tokens, they can simply include a note, along with their 10 tokens in their deposit wallet on banking day to advise that they would like to redeem their tokens for the Galaxy Glider reward item. Don’t forget the Outer Space Savers Money Box is also available in Term 4.
Chaplain’s News

On Friday night we held our Trivia and Auction night. It was great to see the school community, local church members and the wider community come together to support chaplaincy. The night was full of laughter and great food.

Thanks to Penny Back who had a major role in organising this event and did an awesome job with the trivia questions. Congratulations to the teachers’ team who took out first place.

There are many people I would like to thank. Firstly to Alan Jones for an awesome job at being our auctioneer for the night, he had the room in laughter throughout the night. Thank you to Michael Trotman and his students for helping set up the hall.

I would like to say a big thank you to Amanda Taylor for giving her time in helping with preparing and wrapping items for the auction. Thank you to all the wonderful Parent and Friends ladies for such an awesome job in preparing the soup and food, as well as the ladies from the local churches of Westbury who also provided food.

Thank you to all the many helpers that I had during the afternoon and also during the evening that stepped in and helped out. This event would not have been possible if I did not have such awesome and supportive people to give of their time.

Finally I would like to say a big thank you to all the wonderful businesses and individuals who kindly donated items to this event.

I am very proud to announce we were able to raise $1895.80 towards the chaplaincy program here at Westbury Primary School.

Deloraine Drama Festival

Congratulations girls on a very commendable performance at the Deloraine Drama Festival last night.

They did a fabulous job and received some favourable comments by the adjudicator, well done!

A HUGE thank you to Mr Trotman for his help, support and for attending on the night. Also to Nathan Burns for being in charge of the lighting under the guidance of Mr Trotman.
