From the Principal........

Taylor Street Parking Re-development
The Meander Valley Council plan to make the school parking and movement of traffic in Taylor Street safer. They have developed three concept plans and now want feedback from our school community. The three maps are included in this week’s newsletter for your perusal, and larger copies can be seen on the parent noticeboard.

The council would like your feedback on which proposal you think would be most appropriate. Please put any responses in writing and drop them in the feedback box in the foyer by Friday 18 September. There may be some preliminary work on the opposite side of Taylor Street, but changes to the parking on the school side of the road will not commence until feedback has been received from the general school community, School Association and local residents.

School Survey
A reminder to the randomly selected parents that received an invitation to complete the on-line school survey, that the deadline for completion is this Friday.

We encourage you to participate and complete the survey so that the school has a clear direction when planning for future programs and services for students.

After School Care Proposal
Thank you to the parents who have returned the after school care survey. I will forward the data to the care provider and they will judge whether demand is sufficient for a service in 2016.

Grade 3, 4 & 5 Swimming and Water Safety Program
This program commences next week. If you haven’t completed the permission forms and returned them to the front office, please do so tomorrow.

Westbury Rotary Fun Run
This year’s Fun Run will be held on Sunday 13 September at 11am. A School team will be entered in the 4km event. Thank you for the entry forms already received. Any late entries need to be returned to the office by no later than tomorrow. Students are asked to wear their blue school polo shirt during the race.

Marcus Cramp
